Adapted to →

Country Focus Programs

- Rebuilding Countries
- Developing Countries
- Transforming Countries
- Sustaining Partnership Countries
- Reforming Countries

Accomplished By & Through

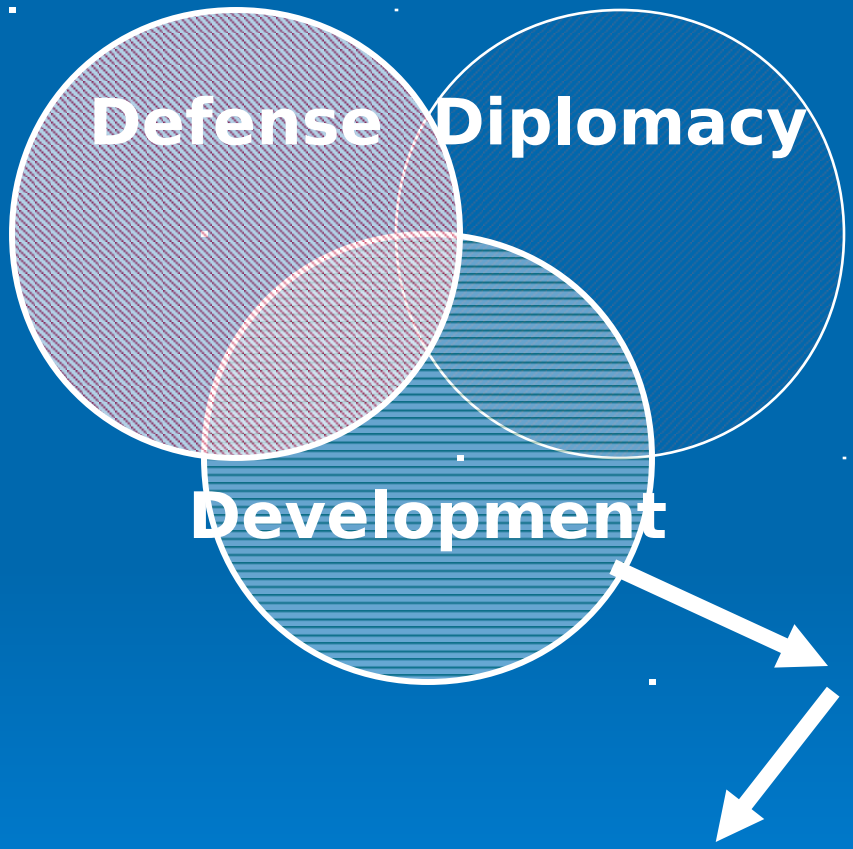
USAID Team

1000 + Foreign Service Officers
1000 + Government Service Officers
1 Service Contracts and Foreign Service Nationals

Implementing Partners

- 3,500 + Companies
- 300 + US-based Private Voluntary Organizations
- IO and NGOs

USAID role in NSS



- **Main threat to US:**
  - **Terrorism, Proliferation and Global criminal networks**
- **These threats thrive in fragile states**
- **USAID HA and Developmental Assistance (DA) capabilities are directed toward many fragile states**
- **DA must be applied in a 3D manner (where it makes sense) and focused on diminishing underlying conditions of instability and setting conditions for long-term stability**

Joint Assessment and Programming Framework

Policy Foundation

- **National Security Strategy 2006**
- **National Implementation Plan (NIP)**
- **DoDD 3000.05 – *Military Support for Stability, Security, Transition, and Reconstruction (Nov 28, 2005)***
- **QDR(2006)**
- **Transformational Diplomacy**
- **Foreign Assistance Reform (FAR)**
- **NSPD 44 – *Management of Interagency Efforts Concerning Reconstruction***

Where do USAID and DOD coordinate

- Strategic Level (Policy development, interagency process)
- Operational Level (Combatant Command relationship with USAID Regional and Functional Bureaus
- Tactical Level (Counterinsurgency approaches, PRT, training, boots on the ground)
